## Governor's Message

Dear Friends,

I hope that you are all safe and well. Happy Belated Doctor's Day!!!  
I hope that everyone got the small recognition you all deserve.

As my term comes to an end in May 2024, I can't help but want to express my gratitude for everyone's support. I have met so many awesome folks the last 4 years. Every member has made this journey so fun and meaningful. Region 2 has so many great physicians, residents and students and we continue to prove how great R2 is!!!

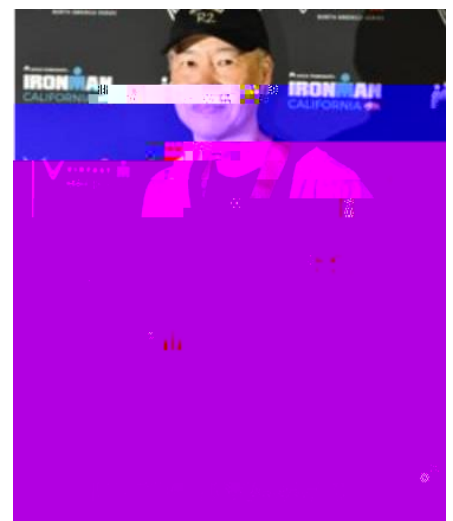

Special thanks to my great friend, Teresa Roth – "Executive Director Extraordinaire," for all her love and support. I couldn't have done it without her!!!

I would like to introduce Dr. Rejan McCaskill, your new Governor!!! She is an awesome person and will serve you well.

Humbly yours,

DK

## WELCOME FROM NEW GOVERNOR - DR. REJAN MCCASKILL

Dear Colleagues,

I am honored and excited to be your next ACP Governor. I first became involved with ACP during my medical school days at UCI and have been an active member since. I am a mid-career physician in a solo primary care practice in Orange County. As such, I am quite familiar with the challenges physicians and patients face daily trying to navigate through our very complex medical system. I look forward to advocating on your behalf to improve your daily work conditions and general well-being. I thank you all for this opportunity and hope to meet you soon!

**Rejan McCaskill, MD FACP**
